Eligible candidates may apply through Email

Post Date: May 07, 2026

Hiring Organization: *Idhaya Engineering College for Women, Chinnasalem*
Organization Profile:

Idhaya Engineering College for Women (IECW) was established in 2001. It is a Christian Minority Institution. Two decades of excellence in engineering education enhances IECW's reputation far and wide. Since its inception, IECW has been laying emphasis on engineering education for women. It is a beacon for aspiring young women guiding them to achieve a significant engineering degree under the auspicious guidance and committed leadership of The Franciscan Sisters of the Immaculate Heart of Mary Congregation (FIHM), Puducherry .

All eligible UG and PG programmes are approved by AICTE, affiliated to Anna University, and recognized by UGC with 2(f) status. The UG programmes of CSE and ECE are permanently affiliated with Anna University, Chennai.

The great strides of IECW in the transformation of academic to research program enables young engineering students to acquire high-end technology skills in the competitive world. IECW impart qualitative intellectual knowledge and skill based professional education exclusively for women through our competent faculty members and well equipped infrastructure.

A Unit of The Immaculate Heart of Mary Society, No : 1, 26/1973, - Cuddalore.
