

Chennai Institute of Technology, Chennai, Tamil Nadu

Faculty Recruitment Notification- Computer Science and Engineering

Post Date: 05/06/2026

Chennai Institute of Technology (CIT) invites applications for the position of Assistant Professor/Associate Professor/Professor in the department of Computer Science and Engineering.

**About CIT:** Chennai Institute of Technology (CIT), established in 2010 in Chennai and well connected to the airport and railway station, is an AICTE-approved, Anna University–affiliated institution accredited by NAAC with A+ grade, with all eligible programmes accredited by NBA. The institute is placed in the 100–150 band in the NIRF Engineering rankings, reflecting its growing national standing.

CIT offers Undergraduate and Postgraduate programmes and follows an Outcome-Based Education framework, emphasizing project-based learning, industry collaboration, research, and internships. The institute hosts 30+ Centers of Excellence in emerging technologies, enabling hands-on learning and innovation.

CIT students have earned national recognition in competitions such as the Smart India Hackathon (SIH) and other national-level Hackathons. Owing to its academic quality, industry-aligned curriculum, and strong placement outcomes, CIT is a preferred choice among self-financing engineering colleges during state counselling and is progressively advancing towards Deemed-to-be University status soon.

**Job Title:**

Assistant Professor/Associate Professor/Professor – CSE, AI&DS, AI&ML, IT, Cyber Security and Computer Science & Business Systems.

**Qualification and Eligibility:**
