Institution Profile

Excel Engineering College was established in 2007, marking another significant milestone for the trust. The college is approved by AICTE, New Delhi, affiliated with Anna University, Chennai, and has been granted autonomous status by the UGC, underscoring its academic credibility and institutional independence.

Since its inception, **Excel Engineering College (EEC)** has continuously encouraged students to actively participate in research and development activities. The institution has brought about a *renaissance in engineering and technology education* through its commitment on **academic excellence, effective teaching methodologies, and innovative pedagogical practices.**

EEC stands out for its student-centric teaching approach, integrating **regular campus interviews, seminars, conferences, workshops, industrial visits,** and other hands-on experiences into the academic curriculum. These initiatives enrich the learning experience and ensure students are industry-ready upon graduation.

Founded in 2001 by Dr.A.K.Natesan, **Sri Rengaswamy Educational Trust (SRET)** was established with a mission to promote higher education and provide world-class professional educational opportunities to rural communities, dedicated to uplifting the downtrodden by providing access to quality education and fostering social empowerment. With a deep commitment to social upliftment and academic excellence, the Trust began its journey with teacher-training institutions, laying the foundation for a transformative educational ecosystem.

The College Intivites Applications from Qualified, Competent and Dedicated Candidates for various teaching Positions for the academic year 2026-2027.

Location

NH-544, Salem –Coimbatore Highway, Pallakkapalayam, Sankari west Post, Komarapalayam(TK), Namakkal(DT)-637303.

Job Title / Designation

Professor, Associate Professors, Assistant Professors

Artificial Intelligence & Data Science, Computer Science and Business System, Computer Science & Engineering, Food Technology, Information Technology, Petrochemical Technology, Master of Computer Application, School of Architecture.

REQUIRED QUALIFICATIONS

Professor

Candidates should possess:

- Ph.D.in the relevant discipline.
- Strong academic and research credentials.
- Proven teaching and administrative experience.
- Publications in reputed journals and participation in academic activities Ability to contribute to curriculum development and institutional growth.

Minimum of 10 years of experience in teaching / research / industry out of which at least 3 years shall be at a post equivalent to that of an Associate Professor.
