

RECRUITMENT DETAILS

Hiring Organization Name: *The ICFAI Foundation for Higher Education (Deemed-to-be-University), Hyderabad*

Profile of the University:

The ICFAI Foundation for Higher Education (IFHE), Hyderabad, established in 2008 under Section 3 of the UGC Act, 1956 is a prominent deemed-to-be university situated on a 91-acre lush green, fully residential campus just outside Hyderabad, Telangana, India. The university is accredited with NAAC A++ grade (CGPA of 3.59/4.00). The University is home to

- Faculty of Management, known as ICFAI Business School (IBS), a renowned academic unit and one of the top private B-Schools in India, holds prestigious AACSB accreditation for programs it offers;
- Faculty of Science and Technology, known as ICFAI Tech, offering programs in Engineering, approved by AICTE and Science disciplines;
- Faculty of Law known as ICFAI Law School, approved by Bar Council of India;
- ICFAI School of Architecture and
- ICFAI School of Social Sciences.

The University is research-driven and has built systems and processes that promote research. The policy framework of the university aims to enhance its reputation through inter-departmental and inter-institutional collaborative research across the disciplines of Business Management, Science, Technology, Social Sciences and Law. In its pursuit of excellence in research without compromising on ethical norms and standards, the university aims at developing a cadre of professionals possessing specialized skills, having a sense of social and moral responsibility, and the ability to groom the students for their bright future.
