

**Faculty Recruitment 2026 job notification announced by Muthoot Business School, Kochi, Kerala, for the 2026-2027 academic year. Eligible candidates may apply through Email.**

**Post Date:** 28<sup>th</sup> October 2026

**Hiring Organization:** Muthoot Business School

**Organization Profile:** Muthoot Business School (MBS), located in Kochi, Kerala, is an **emerging center of excellence in management education**, envisioned and established by the prestigious Muthoot Group. Committed to developing next-generation business leaders, MBS blends academic rigor with industry relevance, offering a future-focused curriculum aligned with global business trends.

Positioned as **India's first Neo-Tech Global Corporate Business School**, MBS emphasizes experiential learning, corporate immersion, technology integration, and entrepreneurial thinking. The institution fosters a collaborative academic environment supported by experienced faculty, industry mentors, and global partnerships.

At Muthoot Business School, we **value innovation, integrity, inclusivity, and impact**, aiming to shape ethical, agile professionals ready to lead in a fast-changing world.

**Job Title/Designation:** Assistant Professor / Associate Professor

**Departments have vacancies:**

- General Management
- Data Science & Analytics
- Marketing and Digital Marketing

**Qualification:**

For Data Science & Analytics - PhD in Data Science, Business Analytics, Computer Science, Artificial Intelligence, Statistics, Operations Research, or a related discipline from a reputed institution in India or abroad, preferably Tier A or Tier B.

For General Management - PhD in Management, General Management, Strategy, Economics, Public Policy, or a related interdisciplinary field from a reputed institution in India or abroad, preferably Tier A or Tier B.

For Marketing and Digital Marketing - PhD in Marketing, Digital Marketing, Marketing Analytics, or a related discipline from a reputed institution in India or abroad, preferably Tier A or Tier B.

**Experience:**

- 1-12 years of doctoral teaching experience.
- Industry experience in operations, logistics, or consulting is desirable.
- Industry, consulting, policy, or corporate leadership experience is highly desirable.
- International exposure in teaching, research, or professional assignments is an added advantage.
- Experience in corporate training and Management Development Program is preferable.

**Specialization Required:**

- For Data Science & Analytics - Business Analytics, Computer Science, Artificial Intelligence, Statistics, Operations Research, or a related discipline.
- For General Management - General Management, Strategy, Economics, Public Policy, Organizational Studies, or a related interdisciplinary field.
- For Marketing and Digital Marketing - Marketing Management, Digital Marketing, Social Media Marketing, and Marketing-related elective subjects

**Candidate Profile:**

- Design, develop, and deliver engaging courses in Operations Management / General Management
- Incorporate contemporary industry practices, case studies, and technological advancements (e.g., AI, Analytics, IoT in Operations) into pedagogy.
- Develop/revise courses aligned with MBS's vision of a "Neo-Tech Global Corporate Business School".
- Employ innovative pedagogy, including cases, simulations, project-based learning, work-integrated learning, and industry visits.
- Produce quality research with publications in ABDC/Scopus-indexed journals.
- Foster collaborations with industry professionals for guest lectures, internships, placements, and research projects.
- Mentor students, serve on academic committees, and contribute to accreditations and quality initiatives.
- Contribute to executive education, corporate training, and Management Development Programs.
