Ayyappa Engineering College is approved by AICTE, New Delhi and is Subject to affiliation of Anna University, Chennai.

It is Located at Aivadhukudi near the Koothakudi railway flyover on the Trichy – Chennai National Highway (NH38). The college provides a serene and eco-friendly campus that supports focused learning. The College is committed to delivering quality education and fostering a holistic learning environment. It emphasizes both academic excellence and overall personality development, ensuring students are well-prepared for professional challenges. To support academic and professional growth, the college also provides additional facilities and opportunities that enhance students' skills, knowledge, and career readiness.

The campus is equipped with state-of-the-art infrastructure, including smart classrooms, a modern computer centre, well-equipped laboratories, a well stacked modern library, and sports facilities. In addition, the college offers transport services for students and staff, along with a canteen facility within the campus.

We invite applications from experienced and qualified candidates immediately.
