Faculty Recruitment at Karunya Institute of Technology and Sciences, Coimbatore

Karunya Institute of Technology and Sciences, Coimbatore, invites applications from qualified and experienced academicians and aviation professionals for faculty positions in its Aviation programmes for the academic year 2026–2027.
Applications are invited for the following positions:

- Professor
- Associate Professor
- Assistant Professor

Date Posted: 17 November 2026
Hiring Organization: Karunya Institute of Technology and Sciences, Coimbatore

Organization Profile

Karunya Institute of Technology and Sciences (KITS), Coimbatore, is a reputed higher education institution committed to academic excellence, research, innovation and societal transformation. Established in 1986, the institution offers a wide range of undergraduate, postgraduate and doctoral programmes across various disciplines.
The institution provides a conducive academic and research environment, supported by modern infrastructure, industry collaboration and opportunities for professional development.

Job Title / Designation

- Professor – Aviation
- Associate Professor – Aviation
- Assistant Professor – Aviation

Division

- Division of Aerospace Engineering (B.Sc. Aviation)
- School of Management (BBA Aviation & Airport Management)

Required Qualifications

Candidates should possess the following qualifications:

- Professor: Master's degree in Aviation / Airport Management / Aviation Operations (MBA Aviation Management, M.Sc. Aviation, or equivalent) with a minimum of 55% marks. Ph.D. in Aviation / Management / an allied discipline is preferable.
- Associate Professor: Master's degree in Aviation / Airport Management / Aviation Operations (MBA Aviation Management, M.Sc. Aviation, or equivalent) with a minimum of 55% marks. Ph.D. in Aviation / Management / an allied discipline is preferable.
- Assistant Professor: Master's degree in Aviation / Airport Management / Aviation Operations (MBA Aviation Management, M.Sc. Aviation, or equivalent) with a minimum of 55% marks. Ph.D. in Aviation / Management / an allied discipline is preferable.

All qualifications and experience requirements shall be as per applicable UGC norms and institutional requirements.

Required Experience

Experience requirements for Professor, Associate Professor and Assistant Professor shall be as per applicable UGC norms and institutional requirements. Industry experience in airlines, airports, ground handling or aviation training is an added advantage.

Candidate Profile

The institution is looking for candidates who demonstrate:

- Strong academic knowledge of Aviation Management, Airport Management and Airline Operations.
- Sound knowledge of aviation safety and security, aviation law and regulations, and airport / airline operations.
- Professional certifications such as IATA (Airport Operations, Ground Handling, Dangerous Goods, Cargo or Ticketing), ICAO or DGCA-related training are preferred.
- Prior teaching or industry experience in airlines, airports, ground handling, cargo or aviation training institutes.
- Excellent communication, presentation and interpersonal skills.
- Research orientation with publications in relevant journals and conferences.
- Ability to guide undergraduate students in academic projects, internships and industry-based case studies.
- Commitment to academic excellence, innovation and institutional development.
- Willingness to contribute to departmental and research activities and build industry relationships.

Roles and Responsibilities

Selected candidates will be responsible for:

- Delivering lectures and conducting academic sessions for the B.Sc. Aviation and BBA Aviation & Airport Management programmes.
- Teaching subjects in Aviation Management, Airport Management and Operations, Airline Operations, Air Traffic Services, Aviation Safety and Security, Aviation Law and Regulations, Cargo and Ground Handling, and Aviation Marketing / Customer Service.
- Developing course content, lecture materials, lesson plans and academic resources, and adopting outcome-based education practices.
- Guiding students in projects, internships and industry-based case studies.
- Organising guest lectures, airport / airline visits and industry interactions with aviation service providers.
- Providing career guidance, soft-skills support and placement preparation for aviation-sector roles.
- Publishing research papers and case studies in aviation and management journals and participating in conferences and faculty development programmes.
- Participating in curriculum development, Board of Studies and academic assessment activities.

- Coordinating academic activities across the Division of Aerospace Engineering and the School of Management.
- Supporting departmental quality assurance and institutional accreditation initiatives, including NAAC and IQAC.
- Developing relationships with airlines, airports and aviation training institutes for internships, MoUs and placements.
- Mentoring students and supporting admissions, outreach and institutional engagement programmes.

Salary Details

Salary will be as per the 6th Pay Commission (UGC pay scales), commensurate with qualifications and experience.

Job Location

Karunya Nagar, Coimbatore, Tamil Nadu.
