Hiring Organization:

Bharat Institute of Engineering and Technology

Posting Date:

12 November, 2026

Organization Profile:

BIET, an Autonomous institute with NAAC A Grade and NBA accredited, having State-of-art infrastructure with R&D facilities, has a vision to evolve into a world class institution that aims to excel in teaching, industry-oriented research, committed to provide excellent facilities to its faculty such as ultramodern R&D facilities and a library enriched with national
and international journals etc. We are seeking dynamic, experienced professionals to take up the roles of Dean Academics, Dean Administration, and Dean R&D with immediate effect.

Current Openings:

- DEAN Academics
- DEAN Administration
- DEAN Research & Development

Candidate Profile:

- **DEAN Academics**

  Should be able to implement good pedagogy with outcome-based education system; conduct academics as per NIRF, NAAC, NBA academic assessment standards and the guidelines prescribed by statutory bodies such as AICTE and UGC; experience with curriculum development and program evaluation; have strong commitment to student success and faculty development; able to effectively implement educational technology, online learning tools, and beyond-the-classroom teaching/learning methods.

- **DEAN Administration**

  Should be capable of handling comprehensive administrative functions such as smooth functioning of academic and campus operations, handling compliances and liaising with statutory bodies like AICTE, UGC, NIRF, NAAC, NBA, affiliating university etc., and maintaining discipline and order across the institution.

- **DEAN R&D**

  Should be capable of building a strong research and innovation ecosystem; establishing industry, government and research partnerships to bring sponsored projects and consultancy opportunities; setting clear targets and milestones for research projects and periodically reviewing their progress toward successful completion; shaping research priorities in emerging and industry-relevant areas; and mentoring faculty and students toward high-quality research, innovation, intellectual property and meaningful societal impact.
