College Name: Holy Grace Academy of Engineering

College Profile: The Holy Grace Group was established in 1999 under the banner 'Holy Grace Foundation', a registered charitable and educational society formed with the intention of moulding next generation professionals with a global edge. The Group started the CBSE residential school in 2000. From its very inception, the School managed to create a niche positioning as the 'school with a difference' through a host of unique training methodologies. Holy Grace Academy of Engineering embarked on its journey of excellence in 2011 and since then it has been zealously pursuing its mission of imparting quality education with a global edge in the area of management and research.

The Holy Grace Group of Institutions/ Holy Grace Academy of Engineering have been conferred with the prestigious **National Fame Awards 2024** for *Academic Excellence and Outstanding Placement Record* from **Brands Impact** and *"Prominent & Trusted Management & Business College of the Year 2024"* award and a "*Certificate of Recognition*" for *Excellence in Educational Standards, Adaptability, and Implementation*" from the prestigious **India Elite Education & Institutional Excellence Awards & Conference 2024.**

Being a vision and values-driven institution, below we share our vision and mission of Holy Grace Group of Institutions.

Vision:
To create value for stakeholders by continuously striving for academic excellence, and innovating processes resulting in being a preferred destination for pursuing engineering education and employment.

Values:

1. Be imaginative and open to new ideas.
2. Be fair and treat everyone with dignity and compassion.
3. Be professional, value merit and performance.
4. Exercise integrity in whatever you do.
5. Keep the larger perspective of the environment, society, institute, and team in view while delivering.
